

W.A. TROPHY SHOW WEEKEND 5/6 NOVEMBER, 2011
Fairbridge Information & Registration Form

Fairbridge Village Farm is an “Eco Farm” and they have a “no dog” policy, consequently we have had to book the whole complex. This is booked from Thursday until Monday which means that the prices quoted on the internet do not apply. It is the same cost per person for everyone. We are making every effort to keep the costs down as much as possible because we realize how expensive it is to travel interstate to dog shows. We do require a deposit because we need to secure the Village, see registration form below. We will advise when the balance of any monies is to be paid.

All bookings must be made through the BTC of WA.
